DEDICATION

We, the Annual Staff of A.H.S., would like to dedicate the 1980 Archer to . . .

MR. CHARLES FOSTER

Mr. Foster is a man who has given so much time and dedication to the growth and development of students at Antwerp High School for many, many years.

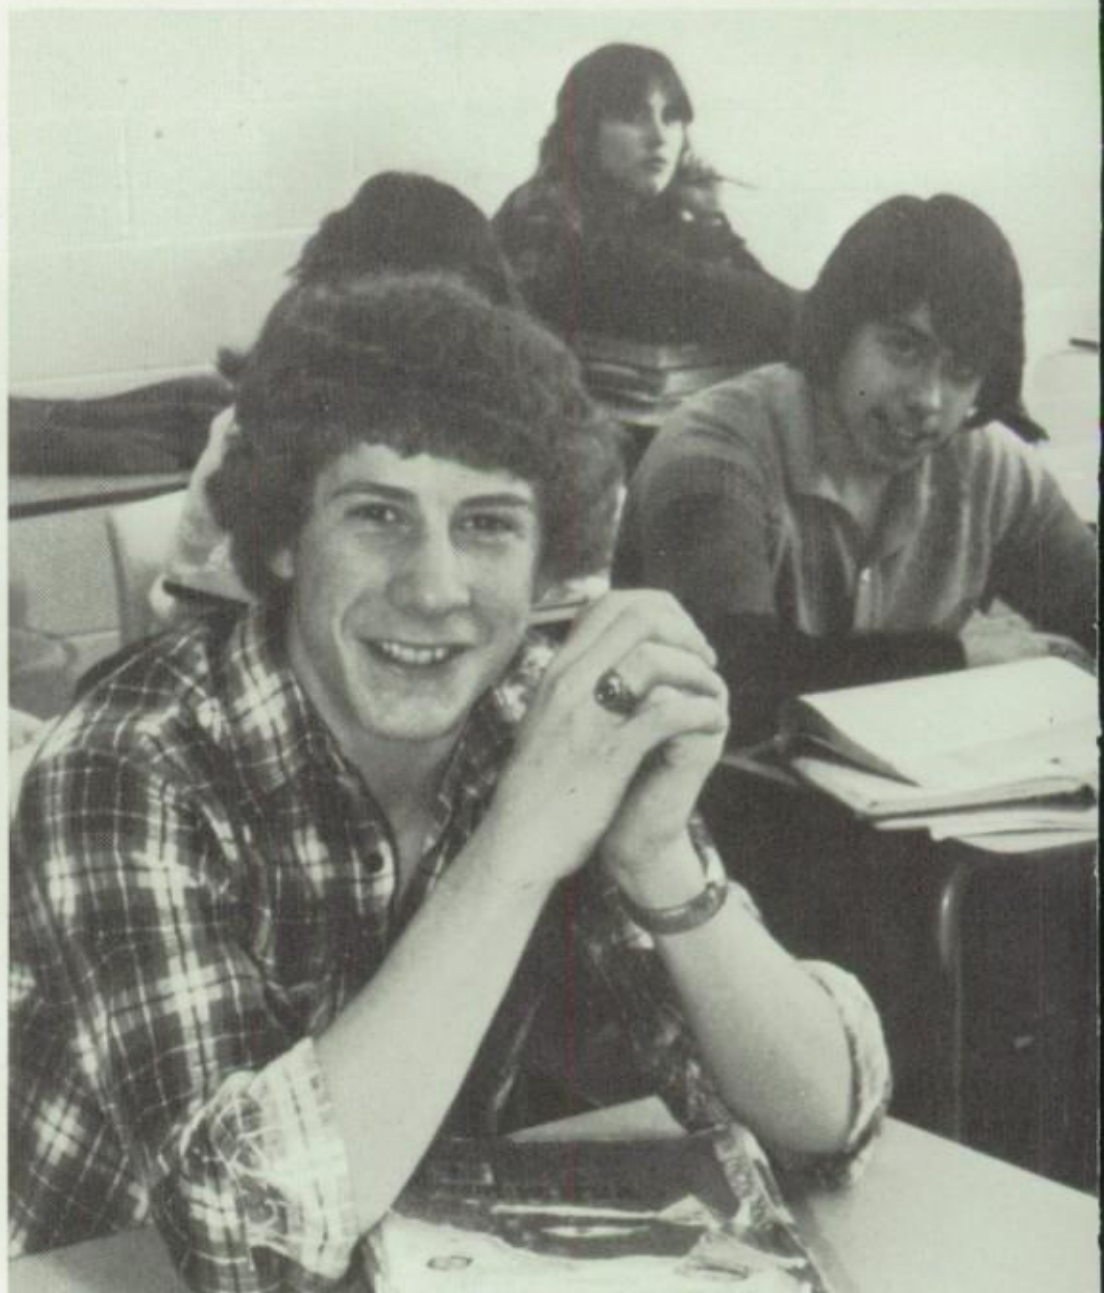

This one's for you, Mr. Foster.

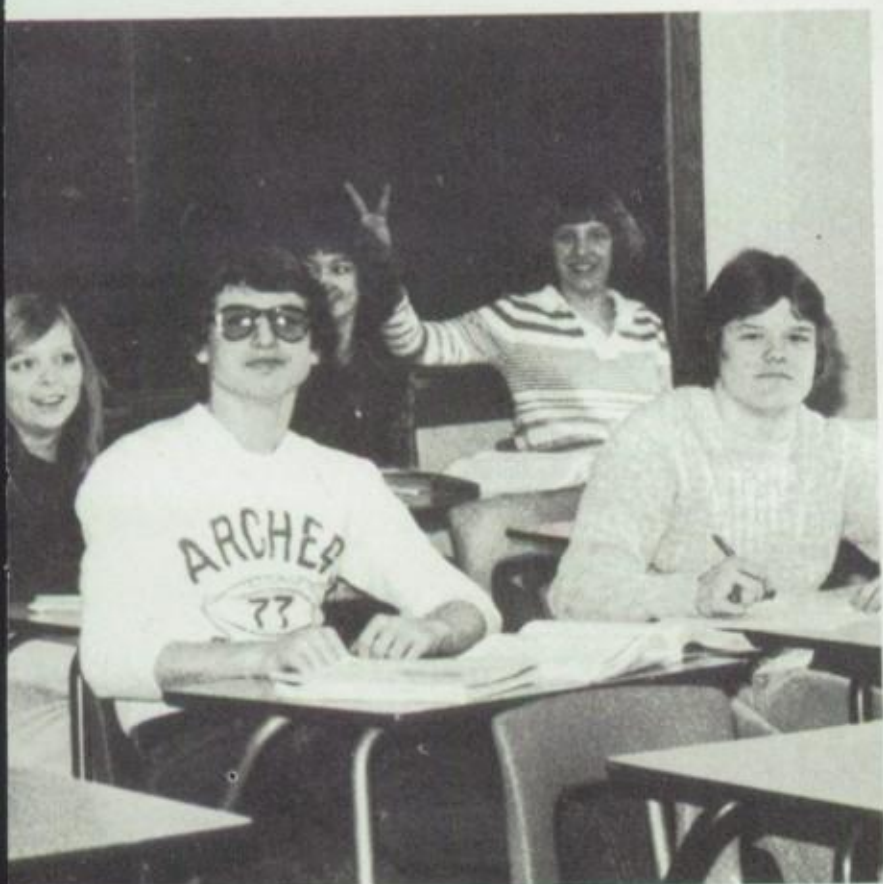

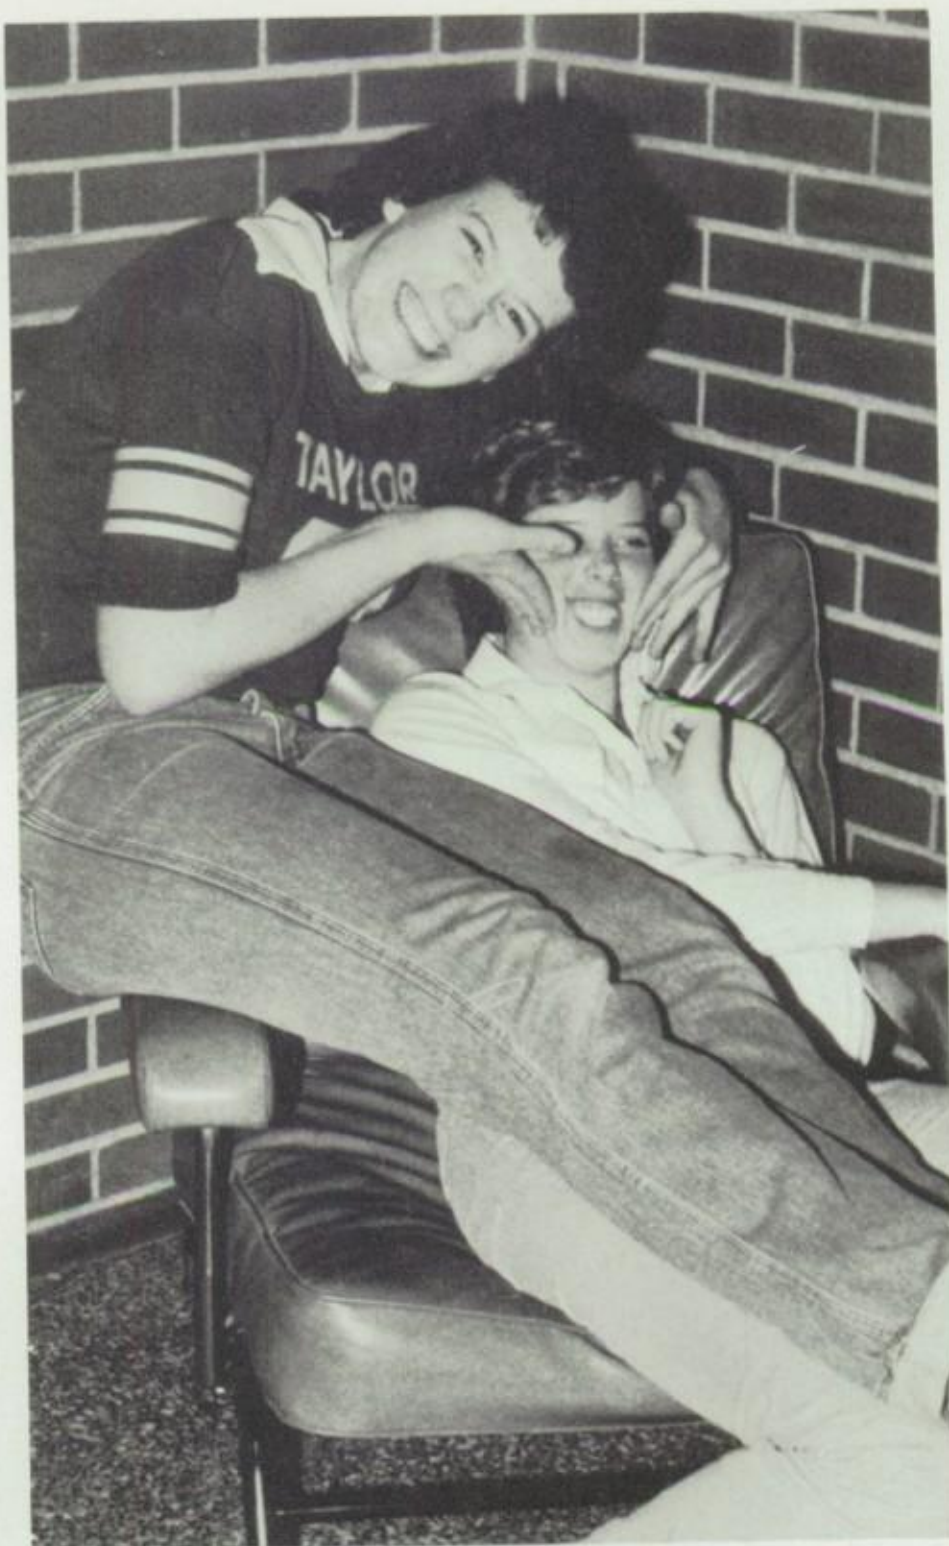

WHAT WE ARE . . .

SIMPLE FACES

Simple faces staring
softly back at you;
leading
behind these lives,
following paths beyond
this place.
Each ordinary man
carrying his dreams,
for his own goals in
the quiet of the day.

WHERE WE'RE GOING . . .

The future is where we're going whether it be years, days or even seconds from now. So let's set our standards, find our purpose, design our direction, then follow that direction.

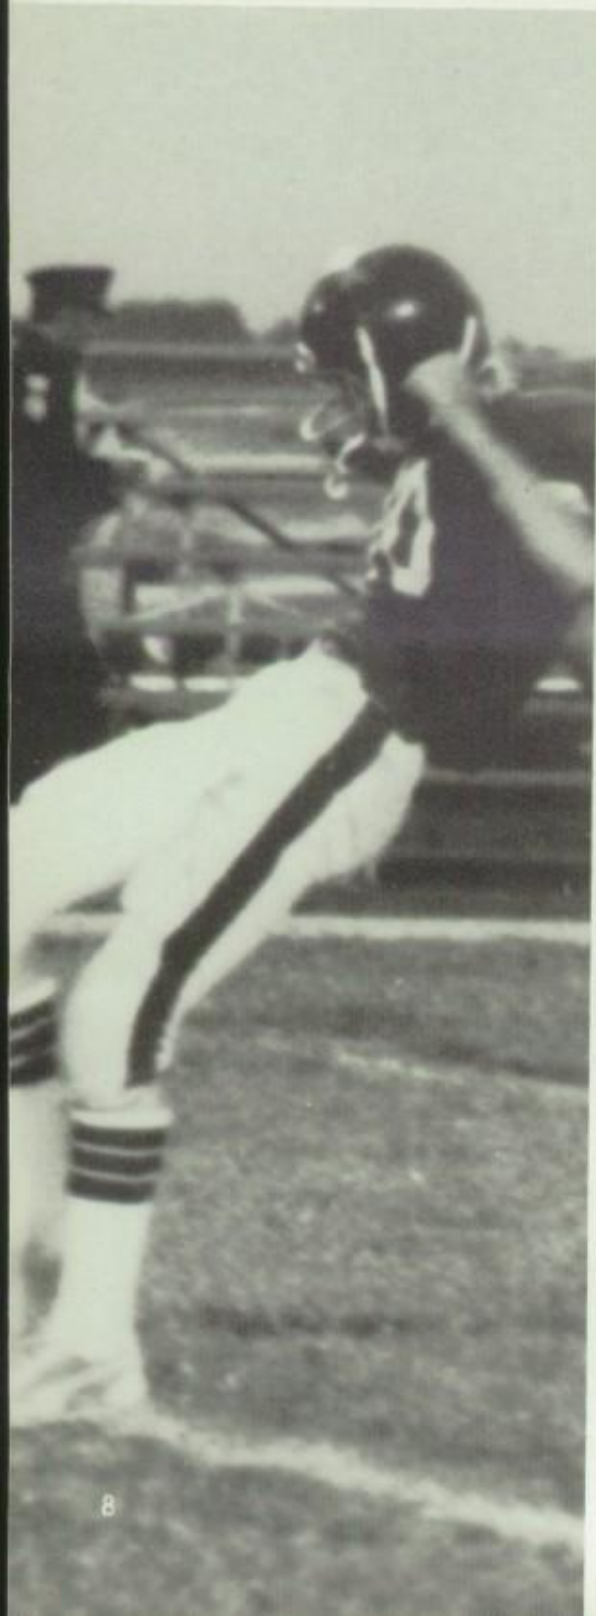

THE FUTURE IT'S UP TO US.

DESIRE

"It is not strange that desire should so many years outlive performance."

Shakespeare

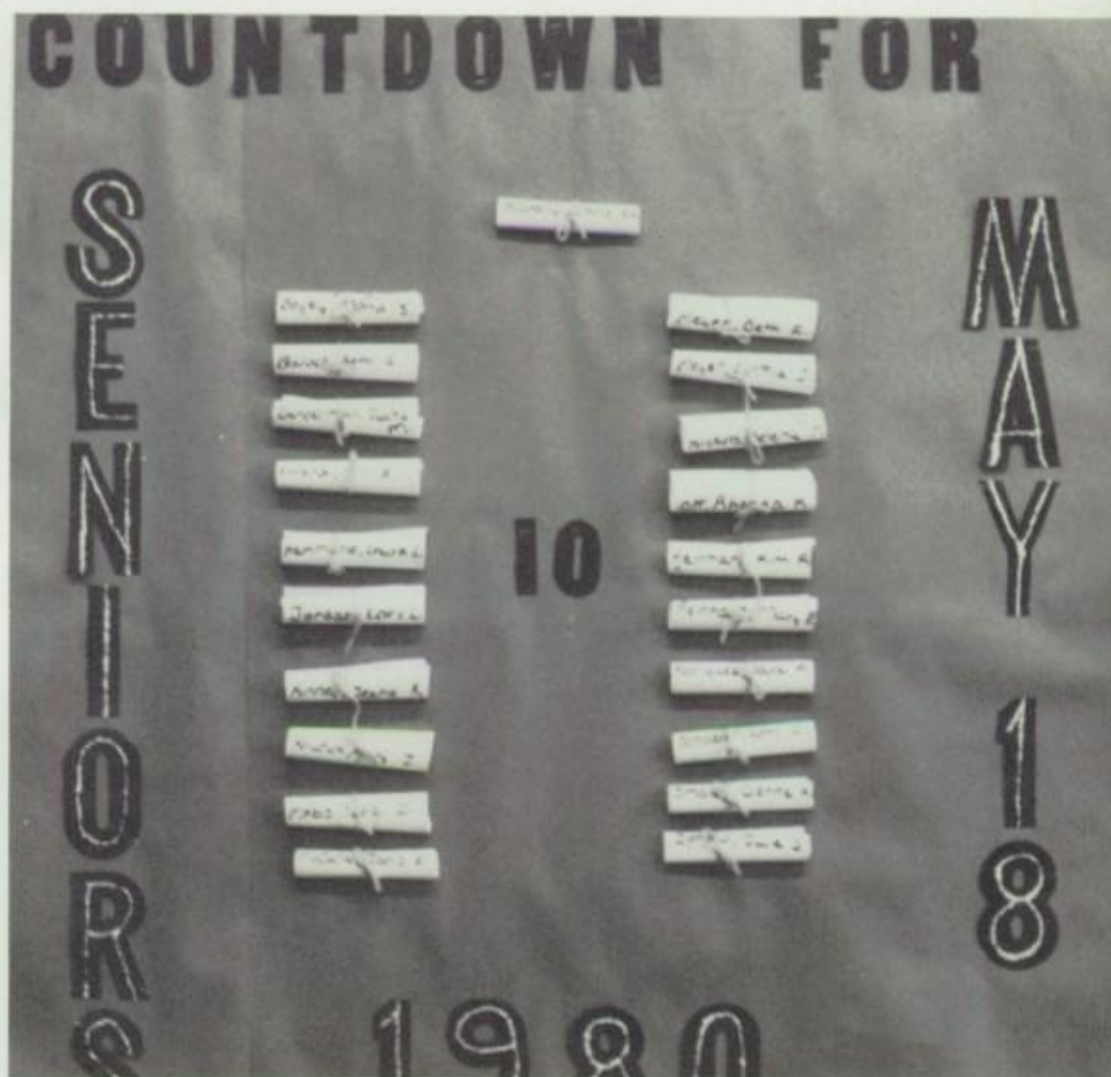

"GOOD TIMES"

Good times . . . participating in the events of Spirit Week, going to Homecoming and attending the dance . . . Good times . . . getting together with friends just to do nothing . . . Good times . . .

"GOOD TIMES"

... being on the team and giving everything you had
 ... Good times ... celebrating holidays, birthdays and
 days that were just days ... Good times ... joining
 clubs and participating in fund-raisers.

HANGING AROUND WITH SOMETHING TO DO . . .

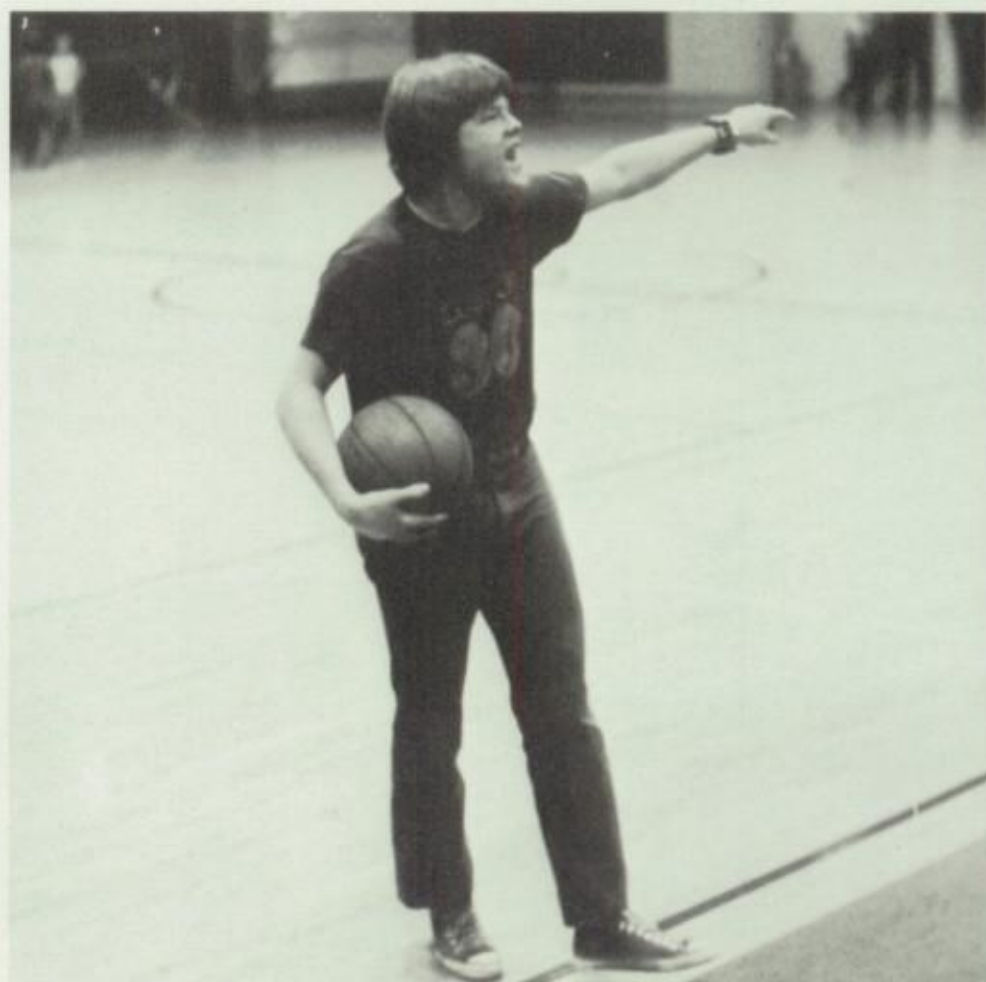

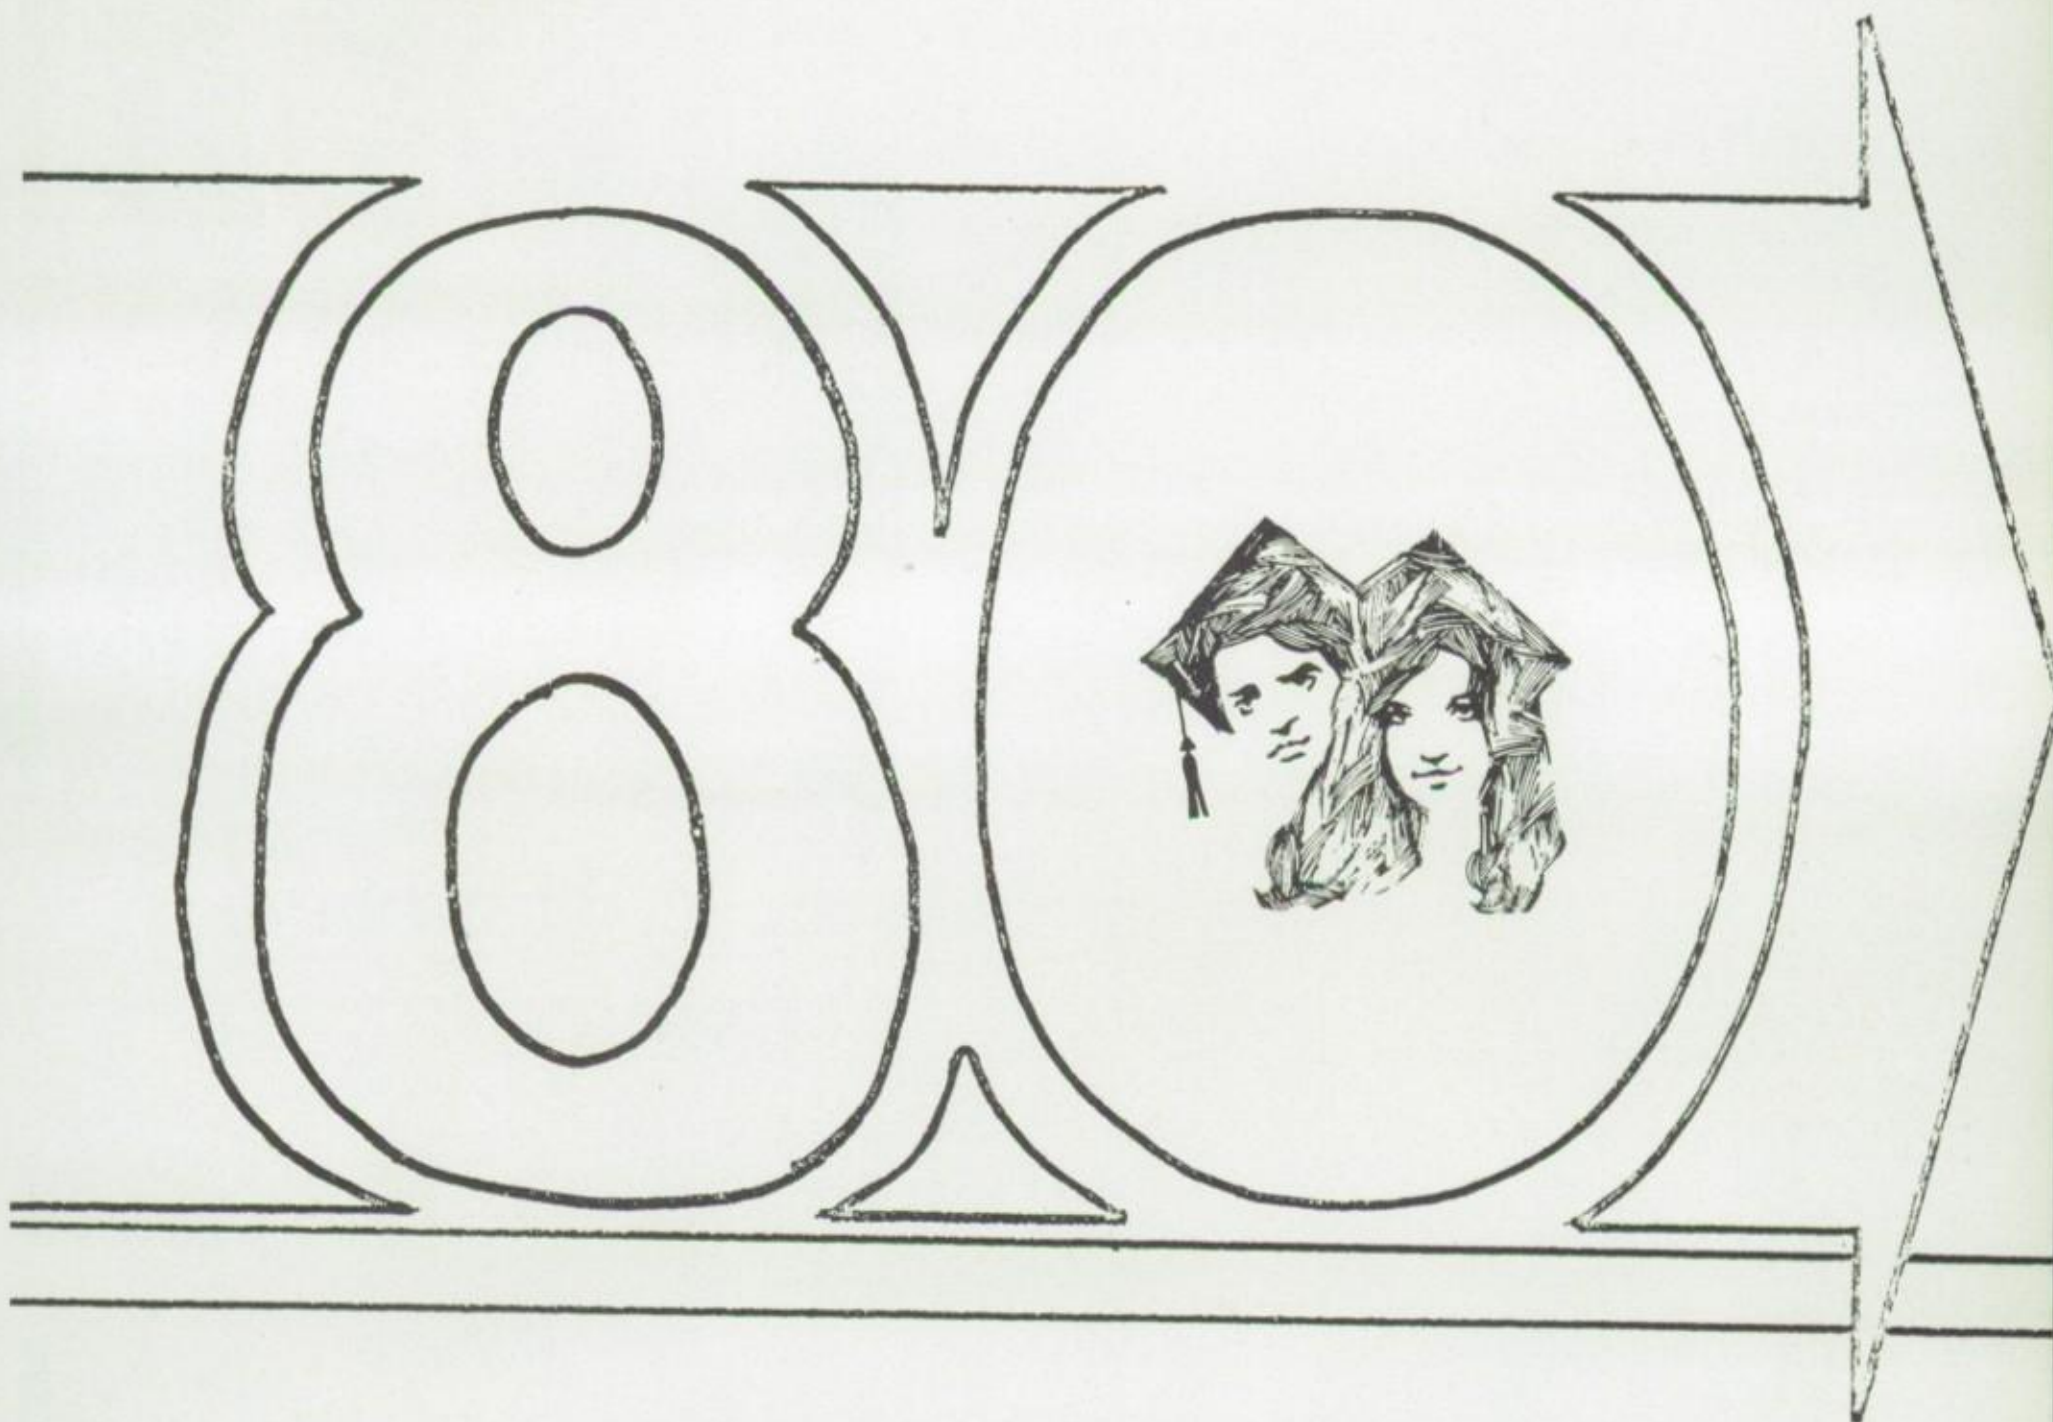

**... OR
JUST
PLAIN
HANGING
AROUND**

**WE'LL ALWAYS BE
TOGETHER IN THE
MEMORIES OF "GOOD
OLD A.H.S."**

"The man who is worthy of being "a leader of men" will never complain about the stupidity of his helpers, the ingratitude of mankind nor the inappreciation of the public. These are all a part of the great game of life. To meet them and overcome them and not to go down before them in disgust, discouragement or defeat — that is the final proof of power."

LADY ARCHERS

By Denise Brown, Paulding Progress

It was a happening, really . . . the excitement, the enthusiasm. And when it was all over the county saw how it could be if you pulled together.

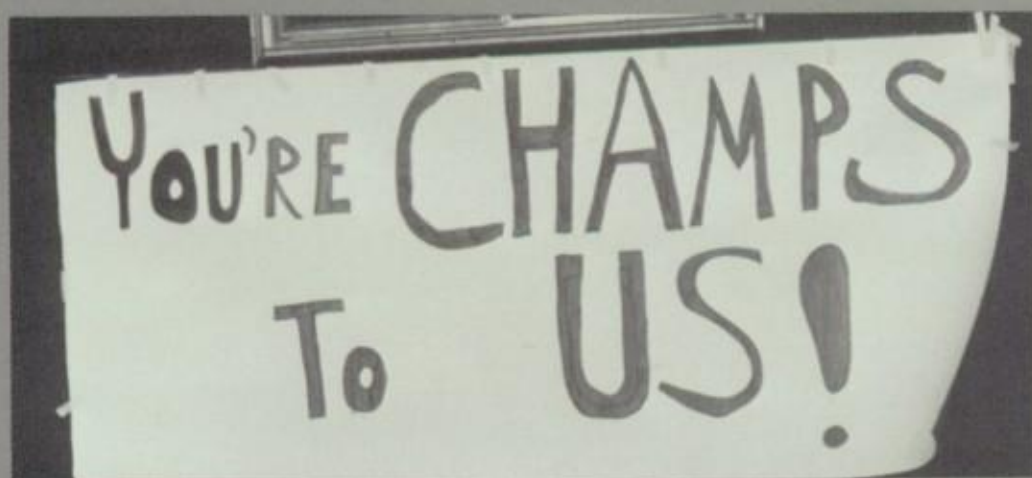

All the warmth, caught just below the surface, bubbled free as the Lady Archers became District Champs in Class A. One fan said, "After Regionals, everybody went crazy!" Signs proclaiming, "THIS IS LADY ARCHER COUNTRY" popped up at each end of Antwerp. Shoe polish slogans on store windows announced the support given by town merchants. A banner bearing encouraging words to the Archer girls spanned the main street in Antwerp. T-shirts were customized to show the wearer was an eager Lady Archer fan. The fever spread to other areas in the county. The Panther girls basketball team came to wish their counterparts well. Wayne Trace and Paulding people made the trek to Columbus to cheer the girls on. A Progress photographer was greeted at the game with "Look, the Paulding Progress is here!" from a group of Wayne Trace girls.

Every experience is a learning experience. Principal Norman McNally, found a chance to learn about the team while staying in Columbus. Various cheers and songs were composed by inventive fans to urge the girls as best they could. Rev. Charles Bradford and a group of his congregation did a cheer entitled "Whomp 'Em Up Side the Head!" The Reverend was told his cheer wasn't too Christian. He replied, "I know, but we're still gonna whomp 'em!"

Sharon Caris, a member of the Panther girls basketball team, was impressed with how the crowd stood behind the team, even when the team was down. She said, "It was neat being down there, seeing the style of ball that got them down there."

Lady Archer fans are loyal. When they realized there was no longer hope of capturing the game, they gave the girls a one minute standing ovation. A Cleveland fan commended Rev. Charles Bradford on how great the fans were.

Archer fans are confident the girls are headed back to Columbus next year. So next year, when the Lady Archers head for state tournaments, Fritz Ehrhart will hang the sign up in his window once again stating that "Last one out of town, turn out the lights!"

EFFORT

"It is hard to fail but it is worse never to have tried to succeed."

Theodore Roosevelt

I have seen boys on my baseball team go into slumps and never come out of them, and I have seen others snap right out and come back better than ever. I guess more players lick themselves than are ever licked by an opposing team. The first thing any man has to know is how to handle himself. Training counts. You can't win any game unless you are ready to win!!!

— Connie Mack

THE ARCHER MARCHING BAND had a super season. They made their very first appearance at the Defiance Band Spectacular and being the littlest band there gave an outstanding performance that drove the crowd crazy. They also made their first performance at the Fremont Spectacular. They entertained Football Fans at half time and gave many memorable half time shows. Some of their shows included: a bell feature, soldier dance, a summary of T.V. commercials, and featured the Majorettes and a dance to A POWER OF GOLD.

We are very sorry Mr. Hennel will not be with us next year, but hopefully a part of our band will always be with him wherever he goes. And may he always remember this:

VANTAGE

THE FIRST STEP TO SUCCESS

In the fall of 1976, Vantage Vocational School opened its doors to almost 450 students. By the fall of 1979, Vantage had expanded to 675 students in 20 different vocational programs, each designed to provide the students with skills needed to enter the job market.

As the community's needs change, Vantage will meet these needs to be of service both to the community and the students it serves. The past may not be changed, but vantage will help to shape the future.
